A300	Air Conditioning Control Module
M7	Fan motor
B10	Room temperature sensor
B11	Evaporator temperature sensor
X14	14 wire splitter
X118	Air Conditioning Harness Connector
Y18	Electromagnetic clutch
S66	High and low voltage switch
B7	Main fuel sensor
B7'	Secondary fuel sensor
S6\23	Main and secondary fuel tank changeover switch

①	Battery negative
㊷	Grounding point in the middle of the cab

A	Intelligent control air conditioning system
B	GPS
C	Double tank electrical device
